

Consumer Warranty

JR One Aluminum LLC warrants the original purchases of all aluminum gutters in the following:

- A. (20) Twenty-year manufacture warranty on painted aluminum products will be free of painting defects including cracking, peeling, or chipping.
- B. (3) Three-year workmanship warranty on any products installed by JR One Aluminum will be free of defects and maintain proper function during the warranty period.

This warranty shall remain in effect only if the gutter system has not been subject to conditions beyond JR One Aluminum's control such as accidental damage, extreme weather conditions, acts of nature, improper use of caustic chemicals, and foundation settling.
