Aluminum Siding, Gutter & Accessories

25 Year Limited Warranty

Issued To:

Name: _____

Address: _____

Product Installed: _____ Color: _____ Date: _____

Kaycan Ltd. (Kaycan), aluminum siding, eaves trough and gutter accessories are made in accordance with Kaycan's high standards of engineering skills and quality control. Kaycan warrants that the Products properly installed on the home at the address and on the date shown hereon will not during the warranty period while affixed to the home described above under conditions of ordinary wear, will not rust, burn or support combustion, split or crack due to cold weather or lose impact resistance with age, nor will the premium polyester finish applied to the Product chip, peel, blister or flake. The warranty period shall be for a period of 25 years from the date of installation, but subject to probation as provided below. This limited warranty covers only genuine Kaycan Products properly installed and is subject to the following conditions.

NON-PRORATED TEN-YEAR WARRANTY

If the homeowner notifies Kaycan within ten (10) years after installation that Products have failed to perform in accordance with the above standards, Kaycan, after validation of the complaint by inspection by Kaycan, will either, repair, refinish or replace such Products. The basis for determining cost recoverable under the warranty is as follows: refinishing- the current prevailing and refinishing cost, replacement of material- the price of Kaycan aluminum coil at the time of settlement of the original price of the material. Kaycan may truly designate at its option among the foregoing alternatives or, at its option, in lieu of any of them and any of the alternatives provided under the prorated fifteen-year warranty below, refund a cash amount equivalent to the original purchase price for the Products from Kaycan. This warranty covers material only. Kaycan is in no way responsible for forming, shaping, or installation, which is the responsibility of the distributor, dealer, contractor or applicator.

PRORATED FIFTEEN-YEAR WARRANTY

If the homeowner notifies Kaycan during the remaining fifteen (15) years of the warranty period that the Products have failed to perform in accordance with the above standards, Kaycan, after validation of the complaint by inspection by Kaycan, will, at its option, repair, refinish or replace the defective Products on the following prorated basis. During the tenth year of the warranty period, Kaycan's share of the material cost for such repair, refinish or replacement should be ninety percent (90%), and for each additional year thereafter through the 15th year. Kaycan's share of such cost shall be reduced 10% each year. Starting with the 16th year of the warranty period, the cost of repair, refinishing or replacement assumed by Kaycan shall be reduced to 10% and shall continue at this percentage for the balance of the warranty period. The basis for calculating probated costs is as follows: material cost for repairing, refinishing or replacing any Products shall be the prevailing cost thereof in the geographic area of the installation at the time of repairing, refinishing or replacement, as the case may be. Costs not contributed by Kaycan shall be paid by the homeowner before any repair, refinishing or replacement commences.

OTHER TERMS AND CONDITIONS

1. Original purchasers of installations of Products containing such installations can qualify for warranty coverage while they continue to own such premises only by completing the "Application for Registration" cards attached below, having them validated by the dealer, applicator, contractor, builder or distributor in the case of the Application for Registration, and mailing them, all in accordance with the instructions therein. This warranty extends to the original homeowner and cannot be assigned or otherwise transferred.
2. To obtain warranty service, warranty claims stating the nature and extent of the claimed defect, address and date of installation and homeowner's name and telephone number must be sent to **Kaycan Ltd., Customer Service Department, 3075 route Trans Canada, Pointe-Claire, Quebec H9R 1B4**, with a copy of the home-owner's warranty certificate.

3. Kaycan's obligations under this warranty shall be performed only by persons designated and compensated by Kaycan. The homeowner will provide free access for the performance of warranty inspections and services and be responsible for extra costs due to inability to gain access for warranty inspections or services after reasonable advance notice. Any repair, refinishing or replacement not authorized by Kaycan shall release Kaycan from all liabilities and obligations with respect to the Products involved.
4. The original warranty period is not extended by any warranty service or replacement, but the remaining warranty period continues in effect and applies under the conditions hereof of the warranty service or replacement.
5. Kaycan warrants the Products only against defects due to faulty design or manufacture, not against damage due to other causes, such as (but not limited to) earthquake, flooding, standing water, hurricane, tornado, windstorm, hail, falling or wind-borne objects, collision, riot, insurrection, vandalism, lightning, fire, explosion, distortion, shifting, settling or shrinkage of structural members or adjoining surfaces, exposure to harmful chemicals or materials, fumes, vapors or salt spray, directly, applied or in the atmosphere, faulty installation, misuse, abuse, negligence, failure to provide periodic maintenance in accordance with the instructions on the other side hereof.
6. If Kaycan elects to replace any Products under this warranty, it may substitute Products designed by it to be of comparable quality or price range. If Kaycan elects to refinish any Products, it may use different coating materials and different methods of applying the same.
7. THE DURATION OF ANY IMPLIED WARRANTY, INCLUDING BUT NOT LIMITED TO IMPLIED WARRANTIES OF FITNESS AND MERCHANTABILITY, SHALL BE LIMITED TO THE WARRANTY PERIOD SET FORTH HEREIN (SUBJECT TO PRORATION AS PROVIDED ABOVE). THE REMEDIES SET FORTH HEREIN SHALL BE THE SOLE AND EXCLUSIVE REMEDIES FOR BREACH OF ANY IMPLIED WARRANTY EXCEPT AS IS EXPRESSLY SET FORTH IN THIS WARRANTY, OR REQUIRED BY ANY IMPLIED WARRANTY LIMITED AS PROVIDED HEREIN, KAYCAN MAKES NO GUARANTEE OR WARRANTY, EXPRESS OR IMPLIED, INCLUDING WITHOUT LIMITATION, WARRANTIES OF FITNESS AND/OR MERCHANTABILITY WITH RESPECT TO THE PRODUCTS. THE REMEDIES SET FORTH HEREIN SHALL BE THE SOLE AND EXCLUSIVE REMEDIES WITH RESPECT TO SUCH PRODUCTS. KAYCAN SHALL HAVE NO OTHER LIABILITY OR OBLIGATION WITH RESPECT TO SUCH PRODUCTS. KAYCAN SHALL HAVE NO OTHER LIABILITY OR OBLIGATION WITH RESPECT TO THE PRODUCTS, INCLUDING WITHOUT LIMITATION, LIABILITY FOR INDIRECT, SPECIAL, INCIDENTAL OR CONSEQUENTIAL DAMAGES, WHETHER FOR BREACH OF ANY EXPRESS OR IMPLIED WARRANTY OR OTHERWISE.
8. This writing embodies the entire warranty of Kaycan and NO OTHER WARRANTIES are given beyond those set forth herein. ORAL STATEMENTS DO NOT CONSTITUTE WARRANTIES and are not part of this agreement or any other contract for sale. Kaycan neither assumes nor authorizes anyone (including but not limited to dealers, contractors, builders, applicators and distributors) to assume or create for it other obligations or liabilities in connection with its products or to alter, amend or modify in any way any term or provision of this warranty.

Kaycan Products

Innovation. Imaginative Design. Quality Control

Kaycan is a multi-million dollar corporation that manufactures and sells aluminum and vinyl home building products. As a major provider of siding, soffit, rain carrying equipment and related product, Kaycan enjoys recommendations by leading architects, builders, remodelers and home improvement contractors throughout the world.

Imaginative design, innovative manufacturing processes and extensive quality control produce a clearly superior product. The polyester finish on these products is one of the most durable and beautiful available. It requires only minimal maintenance.

And, our design specialist's work with color consultants and engineers to ensure our building products are as visually appealing as they are well made. From the drawing board to the loading dock, quality control is given top priority.

Most important, at Kaycan, we care about your satisfaction... today and years after you've owned and enjoyed any of our building products. There isn't a more trustworthy name in home improvement than Kaycan.

How to Clean

The Kaycan polyester finish is recognized as a reliable and durable coating for all residential eavestrough, soffit and gutter accessories. But, as with any other exterior surface, dirt and mildew may collect on it. Where conditions of soiling do occur, the following instructions will enable you to care for the finish on your Kaycan Aluminum Gutter, Soffit and Accessories.

For surface dirt, an occasional wash down with a garden hose and soft bristle brush is recommended.

In moderately dirty atmospheres, wash in the same manner, but replace clear water with a normal solution of water and household detergent.

In heavy industrial atmospheres, use ordinary nonabrasive household detergents, such as 1/3 cup detergent (Tide, for example) and 2/3 cup trisodium phosphate (Soilex, or Spic-and-Span) mixed in a gallon of water. Follow cleaning instructions above and manufacturer's direction.

For mildew accumulation, which can occur on surfaces of all types (normally appearing as black spots), remove by using cleaning method for moderately dirty atmospheres and basic solution of the following ingredients.

- a. 1 1/3 cup detergent (Tide)
- b. 2/3 cup trisodium phosphate (Soilex)
- c. 1 quart sodium hypochloride 5% solution (Clorox, for example)
- d. 3 quarts water

CAUTION: STRONGER CONCENTRATIONS OF CLEANERS MAY CAUSE DAMAGE TO THE FINISH. IMMEDIATELY AFTER WASHING WITH DETERGENT OR OTHER CLEANERS, RINSE ALL SURFACES THOROUGHLY WITH A GARDEN HOSE. AVOID VIGOROUS RUBBING, WHICH MAY CAUSE UNDESIRABLE GLOSS AREAS OF THE FINISH. AVOID SKIN AND EYE CONTACT. IN ALL CASES, FOLLOW MANUFACTURER'S INSTRUCTIONS FOR USE OF CLEANING COMPOUNDS AND SOLUTIONS.

NOTE : Kaycan Products have been designed and manufactured to perform best when installed by qualified applicators.
